**IZMIR UNIVERSITY OF ECONOMICS
GRADUATE PROGRAMS FOREIGN STUDENTS SCHOLARSHIP**

1. Scholarship Information

The scope of the scholarship
The foreign scholarship students that are accepted to graduate programs in full time student status:

- **Fee:** Do not pay the annual tuition fee that is determined each year by the Board of Trustees as long as their scholarship continues.
- **Dormitory:** Are provided with the opportunity to stay at the dormitory of the university. *In case the dormitory capacity is not enough, the students who reside outside the university dormitory are paid extra 250YTL monthly for 9 months.*
- **Private Health Insurance:** The private health insurance of the students are made and covered by IUE.
- **Monthly Stipend:** They are paid stipend for 9 months annually to contribute to their food, book, etc. expenditures. It is 300YTL per month for 2009-2010 academic year. (Nearly 250 USD).

The scholarship does not cover other expenditures of the students, transportation, transfer and bureaucratic procedures, etc expenditures.

Scholarship Period

The scholarship of the students accepted in full time student status includes maximum 1 academic year in English Preparatory Program and maximum 4 semesters for master programs without thesis, and 5 semesters for master programs with thesis.

The students whose scholarship is terminated can continue their education by paying the tuition fee.

Quotas

The scholarships will be given to the students of the countries determined by the Board of Trustees in the scope of the quota determined for the foreign students for 2009-2010 academic year. The application of the ones that wish to study by paying the tuition fee will be evaluated in the same quota. *The scholarships are valid for 2009-2010 Academic Year. This does not cover the scholarship applications for following years.*

**2009-2010 ACADEMIC YEAR
STUDENT QUOTA FOR GRADUATE PROGRAMS**

Name of the Program	Total Quota
Graduate School of Social Sciences	
Master of Business Administration(MBA)	50
Master of European Studies	25
Master of Financial Economics	25
Master of Logistics Management	25
Master of Design Studies	25
Ph.D. in Business Administration	10
Graduate School of Natural Sciences	
Master of Financial Mathematics	20
Master of Applied Statistics	10
Master of Information Technologies	20

Termination

The scholarships are given to students who continue their education and attend their courses as long as they provide success conditions.

Those who have been awarded tuition scholarships will lose their scholarships under the following circumstances if they transfer to a different graduate program at Izmir University of Economics or if they do not meet the requirements of the graduate program they are studying.

The students whose scholarships are terminated cannot take scholarship again even if they fulfill the necessary conditions. The students whose scholarship is terminated can continue their education by paying the tuition fee.

Other Regulations

The scholarships awarded by the Izmir University of Economics do not bind the students with any financial or service obligations.

II. APPLICATION and EVALUATION PROCEDURE

- To have an undergraduate diploma.
- To take necessary points, from one of the valid exam/certificates stated below.
- To submit at least 3 reference letters (2 of the reference letters that are submitted should be taken from academics)
- To be successful in the scientific interview.
- Approval of letter of intention about the reason of master education by the Board of Directors of the Graduate School

The Valid Exams/Certificate Points Required in the Application of the Graduate Programs

For Master of Financial Mathematics: minimum 475 points from GMAT (Graduate Management Aptitude Test) that has international validity, or minimum 650 points from "quantitative" part of GRE (Graduate Record Examination).

* Students who study in a master program with thesis complete their courses in 3 semesters. For this reason a period of 5 semesters is provided for scholarship.

For Master of Applied Statistics and Information Technologies: Minimum 650 points from "quantitative" part of GMAT (Graduate Management Aptitude Test) that has international validity.

For MBA-Business Administration-Financial Economics-Administration and Developing Administrators-European Studies-Languages Management Graduate Programs: minimum 475 points from GMAT (Graduate Management Aptitude Test) that has international validity, or minimum 650 points from "quantitative" part of GRE (Graduate Record Examination).

For Design Studies Graduate Program : A portfolio, which includes the written or project-based works of the candidate in the fields of fine arts and design. (student works, graduation project, graduation thesis, competitions, amateur works, etc.) (This regulation is valid primarily for the ones that have undergraduate diploma from fields of design.)
