Background information

I am Doctor of Juristic Science, researcher and lecturer at the Faculty of Law and Administration of the University of Rzeszów. I defended my doctoral dissertation titled *The Child's Welfare and the interests of other persons in the Polish legal regulation of adoption* at the Faculty of Law and Administration of the Adam Mickiewicz University in Poznań in 2017. I achieved two awards – Dean Award for Academic Merit (2013) and Rector Award for Academic Merit (2018). I was international lecturer at Catholic University San Vicente Martir in Valencia (2015) Pablo de Olavide University in Sevilla (2016), and Mediterranea University in Reggio di Calabria (2018). I am Departmental Coordinator for Erasmus + Programme, author of publications concerning the Polish Civil Law and the Japanese Family Law, I published two text books – *Institution of Family Law* and *Institution of Property Law* in a reputed publishing house - Wolters Kluwer. I organized national conferences – *Alimony in theory and practice* (2015), *Development of technology, economy, social and the law* (2016), *The Family Law and the property law concerning technological and social issues* (2017), *Asian Law from the European perspective* (2017), *Foster care and adoption in the Polish legal system* (2018). I have participated in a numerous national and international conferences as well as seminars in the Polish Academy of Science. I took part in an international research grant *Foreign proceedings of surrogate motherhood against the background of prohibition of trafficking of children – interdisciplinary view*, Center of Research about Family Nicolaus Copernicus University in Toruń and Institute of Justice in Warsaw in 2018.
